Construction of a Maternity Hospital on the Site now occupied by the unused Out-Post building in the P R P Grounds facing the Sirsi Circle on Bangalore-Mysore road

---

I have the honour to state that it is understood that the Bangalore City Municipal Authorities are contemplating to construct a Maternity Hospital on the site where the old Out-Post building is now situated in the Provincial Reserve Police grounds facing the Sirsi circle on the Bangalore-Mysore road This proposal of the Municipality is neither desirable nor advisable in view of the fact that the site selected for the proposed construction is adjacent to Provincial Reserve Police line and the Hospital will be occupied and visited by numerous women and nurses, all the 24 hours It is not therefore desirable to locate the hospital in the vicinity of the Provincial Reserve Police lines Further, this site is required by this Department for constructing quarters for the Assistant Superintendents of Police, and Police Inspectors of the Provincial Reserve Police

In these circumstances, I request that instructions may be kindly issued to the Municipality to drop their plan of constructing the hospital on the above site, which appears to have been selected for the purpose without consulting the Inspector General of Police, and that the sanction of Government conveyed to make over this to the Police Department for the construction of quarters for the Assistant Superintendents of Police and Police Inspectors of the Provincial Reserve Police
